About the Institute

SITYOG Institute of Technology is an educational institution that specializes in providing undergraduate and Diploma education in various fields of engineering. We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

Introduction:

The administration of a business includes the performance or management of business operations and decision-making, as well as the efficient organization of people and other resources to direct activities towards common goals and objectives. In general, "administration" refers to the broader management function, including the associated finance, personnel and MIS services.

Who can attend?

All Faculty Members & Staff
Eligible Branches – All Branches (B.Tech / Diploma / BBA / BCA / BA / J&MC)

Mission

The objectives of the Seminar are:

- Empower Indians to achieve their life goals through the prudent and informed management of their financial resources.
- Help instil in all Indians the commitment to save toward the realization of their financial goals and their future financial security.
- Assist consumers in understanding and actively participating in the management of their investments.
- Better prepare all Indians for their retirement years.
